Reno Spray Buff

Use: Floor Care Restorer, RTU

Code: FH492J

Date of MSDS: December 1, 2008

WHMIS: B3, D2B

TDG: Not Regulated

HMIS: Health - 2, Flammability - 2, Reactivity - 0, PPE - B

Emergency Telephone #

CANUTEC 613-996-6666

I - HAZARDOUS INGREDIENTS

Chemical Name	Wt/Wt %	CAS #	LD50 (mg/kg - oral rat)	LC50
Acrylic Polymer	1-3	non-hazardous	not established	not established
Isoparaffinic Hydrocarbon Solvent	10-30	64742-48-9	5000 oral rat	not established

II - PHYSICAL DATA

Physical State: liquid	Viscosity: not available	Vapour Pressure: not available
Oil/Water Factor: not available	Appearance: opaque off-white	pH: 9-10
Vapour Density: not available	Evaporation Rate: not available	Odour: mild
Specific Gravity: 0.85	Boiling Point (°C): not available	Odour Threshold: not available
Freezing Point (°C): not available	V.O.C. (Volatile Organic Compound): isoparaffinic – hydrocarbon & glycol ether	

III - FIRE AND EXPLOSION DATA

Conditions of Flammability: combustible	UFL: not available
Flash Point and Test Method: 67°C (TCC)	LFL: not available
Sensitivity to Static Discharge or Mechanical Impact: not applicable	Hazardous Combustion Products: not available
Means of Extinction: CO ₂ , dry chemical, water fog	Auto-Ignition Temperature: not available

IV - REACTIVITY DATA

Incompatible Substances: strong oxidizing agents (chlorine)	Conditions of Reactivity: high temperatures
Hazardous Decomposition Products: normal products of combustion	Conditions of Chemical Instability: stable
Storage Requirements: Store in cool, dry, well-ventilated place. Avoid heat, sparks and flame. Keep out of reach of children. For industrial use only.	

V - TOXICOLOGICAL PROPERTIES

Synergistic Materials: none known	Route(s) of Entry: skin, eyes, ingestion, inhalation
Irritancy of Product: slight to mild irritant	Sensitization: none known
Acute Effects	Chronic Effects
Eye: contact may cause slight to mild irritation	Carcinogen: none known
Skin: may cause slight to mild irritation	Teratogen: none known
Inhalation: may cause irritate to nose, throat & respiratory tract	Mutagen: none known
Ingestion: May cause irritation to mouth, throat & stomach. Contact with lungs may cause severe health effects.	Reproductive Toxin: not available
Prolonged or Repeated Exposure: Skin - In persons with pre-existing skin disorders, may have more irritating effect. General medical conditions may be aggravated by exposure.	

VI - FIRST AID MEASURES

Eye Contact:	Immediately flush with water for 15 minutes. If irritation persists, contact a physician.
Skin Contact:	Immediately flush with soap & water. Seek medical attention if irritation develops.
Inhalation:	Remove to fresh air. If breathing is affected, seek medical attention.
Ingestion:	Do not induce vomiting. Rinse mouth with water, then drink one glass of water. Contact a physician immediately. Never give anything by mouth if victim is unconscious, is rapidly losing consciousness or is convulsing.

VII - PROTECTIVE EQUIPMENT

Personal Protective Equipment:	
Eyes: not required under normal use conditions	Skin: not required under normal use conditions
Respiratory: Not normally required if good ventilation is maintained. Avoid creating mist/vapour.	
Ventilation: general ventilation normally adequate	

VIII - SPECIAL MEASURES

For Leaks or Spills: Small spills may be absorbed with non-reactive absorbent and placed in suitable, covered, labeled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice.

Waste Disposal: Review all Federal, Provincial, and local regulations prior to disposal.

The information contained herein was obtained from reliable sources. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries. For independent information on ingredients in this or any other material, we recommend contact with the Canadian Center for Occupational Health and Safety (CCOHS) in Hamilton, ON (1-800-263-8466) or CSST in Montreal, Quebec (514-873-3990).
